

Building and Certifying your Amateur-Built Aircraft

This presentation will discuss the process used by the FAA or an FAA Designated Airworthiness Representatives (DAR) when requested to certify an Amateur-Built aircraft.

Directions: Painton, MO Chapter 453 location. Highway directions to the airport are as follows: From Cape Girardeau, MO take MO-AB west, to MO-25 south, to Delta and turn south on State Highway P for approximately 9 miles. Turn right on State Highway O, then turn right at the first road past the railroad track.

A message from the National FAASafetyTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!
